## Stylish and affordable titanium eyewear from Inface

**Danish Inface has more than 30 years experience in offering contemporary eyewear and superb value. This season they have focused on the high-quality titanium range, where lightness, flexibility and smart details truly reflect their Danish heritage.**

**Aarhus, Denmark** - Inface was founded by a Danish optician in 1987, who had the ambition of creating fine eyewear with roots in minimalistic Danish design, at a surprisingly attractive price point. Since then, more than 30 years have passed and yet this is still the DNA and what Inface is all about.
